

Discount CPR Voucher Program

Safety Training Seminars offers discount BLS, ACLS, PALS, CPR, & First-aid vouchers for Bay Area/Sacramento companies and individuals. In order to qualify for the discounts, you must purchase 8 or more vouchers. If you have less than 8 students to train, we offer public classes on our website. Many companies love the vouchers, because it allows them to easily pay for all their staff to be CPR trained. Each voucher recipient chooses the class, date, time, and location that works best for their schedule. Vouchers save the hassle of trying to coordinate a time that works for everyone.
